The CVBC expects steps to be taken promptly to complete the "rebranding" of your business, but will delay implementation of the approved name for a reasonable, specified period of time (no more than 3 months) to make the necessary.

I have reviewed the CVBC Bylaw requirements and restrictions regarding practice facility names (Bylaws Part 3 - Accreditation and Naming, sections 3.25-3.26) and I confirm that the proposed names accurately reflect and will not misrepresent the nature of the facility or the services that will be provided.

I understand that, should the nature of the facility and/or the services provided change at any time following this approval, that I may be required to change the facility name in order to ensure compliance with the CVBC Bylaws.
