

Date:

Practice Name:

Designated Registrant :

Was a report made to the police?      Yes      No

Was a report made to Health Canada?      Yes      No      If yes, provide Health Canada report with this form.

Provide a brief summary of what the loss was (ie. what drug(s), who/what/how did the loss get brought your attention)

Detail what actions were taken to investigate the loss (ie. performing audits, cross-checking controlled drug logs, etc.):

Provide a written summary of the preventative actions taken/planned to mitigate the risk of controlled drug loss in the future:

Please note: Additional submissions may be requested, including controlled drug audits and logs. The PFAC may direct an inspection if there are ongoing concerns about the security and/or management of the controlled drugs at this practice.

For any missing, stolen or lost prescription pads, the registrant must contact [Pharmanet](#).
